5th February 2018

Dear Parents and Carers

International Week Tues 20th – Fri 23rd February 2018

In order to celebrate different cultures across the world and to extend pupils understanding of the wider world, River Beach Primary School will be holding an '**International Week**' during the week beginning Tuesday 20th February 2018.

As part of this International Week, each class will be 'adopting' a country. The children will be involved in a variety of activities throughout the week, which could include tasting foods from their country. **Please could you inform your child's class teacher by Friday 9th February if your child has any allergies to any particular food.** If we do not hear from you, we will assume that your child is able to participate in the food tasting activity.

On Tuesday 20th February we will be 'travelling' to our adopted countries. To make this an exciting and immersive experience we will be setting up the hall as an airport with each child passing through passport control. To make it feel more realistic we would like the children to bring in a small bag with things they may take on holiday with them, nothing precious please.

To celebrate our International Week, **on Friday 23rd February** we would like the children to come to school **dressed up** to either represent their class's country, or a country of their choice. This could be wearing a national costume, or wearing clothes to represent the colours of their country's flag.

We are looking forward to an exciting, fun-filled week!

Yours sincerely

The Humanities Team
