Dear Parents/Carers,

Year 6 Sex Educational DVD

After half-term the children of Year 6 will be completing a sex education unit of work that is an essential part of their Personal, Social and Health Care learning.

As part of this work, the children will be watching a DVD about how humans reproduce and how babies are born.

We will presume that your child is allowed to watch this DVD unless we receive a letter back to school to the contrary.

Should you wish to view the programmes prior to your child seeing them, we are offering you the opportunity to do this after school on **Monday 10th June 2019** at **3.15pm** in **Beagle Class**.

If you would like to watch them beforehand, please complete the form below by **Wednesday 5th June 2019**, otherwise there is no need to respond.

Kind regards

Mrs L Challis and the Year 6 team

Please return this reply slip to your child's class teacher by Wednesday 5th June 2019 only if you would like to view the DVD.
